

# À LA CARTE FLORALS

STONE HOUSE  
CREATIVE

Our À La Carte services offer artfully designed florals in a simple, fuss-free way to order special event florals for occasions of all sizes.

We streamline the process by offering your choice of three set colour palettes, and minimize your expense without the added cost of customization and the added support of a design team.

It's how we make our sought-after event designs more accessible for you.

*We specialize in modern, garden-inspired floral design that's unique, one-of-a-kind, and completely you.*

## Booking Process

### 1 Determine what you need

Choose from our colour palette offerings, take note of the price list and determine what items you need to order.

### 2 Submit your order request

Fill out this document to submit your order request.  
We'll confirm if we're available and take it from there.

### 3 Payment & contract

Once Lauren confirms your order, you'll receive an invoice and contract to book your date.

Note: dates are available to be booked as early as the January of the year of your event.

## À La Carte Vs Full Service

We're best known for our full service floral design, with fully custom creative design and installation. But we know that not every event calls for full service. Enter, à la carte florals.

Through à la carte ordering, you receive our artfully designed florals without the cost of customization, details, and labour.

You'll choose the items you need, tell us what palette vibe you prefer, and we'll take care of all the rest of the details.
